

About SYCOMAD

Profile

SYCOMAD is a film & contents distributor based in South Korea. SYCOMAD has passion and know-how through its strong relationships with Korean theatres and media platforms.

We pick up films from global contents market and also handle contents marketing and all licensed rights in South Korea. Through our one-stop-effective distribution, we are developing a whole new brand in Korean contents market and extending into related businesses.

We are very proud to present various contents to Korean audiences and add best values to our contents.
